

DELIVER CREDIBLE, SAFE AND RELEVANT WEB SEARCH RESULTS TO STUDENTS AND TEACHERS

WebPath Express™

Digital Content Subscriptions

Engage Your 21st Century Learners

Students expect to be connected with the digital and traditional content resources they need quickly, easily and all at once. Guide your students - and teachers - with an educational search tool that provides today's K-12 students with a safe, fun and familiar search tool that integrates over 70,000 trustworthy, relevant websites into your library catalog while filtering out questionable content.

Through WebPath Express, all sites that your students access are educator-reviewed and verified for factual accuracy, currency, authority, educational value, coverage and objectivity. Content is differentiated by grade level, encouraging information literacy by supporting each student's self-directed research.

Choosing Follett's WebPath Express service can stretch your resource investment even further through seamless integration with Destiny® Library Manager™ and Cognite™.

Take the Stress Out of the Student Research Process

Using WebPath Express as a research tool, students are able to find reliable resources quickly and easily, spending their time focusing on the content. Expansive filtering options make it easy for students to use search and browse capabilities, enabling self-guided searches.

"WEBPATH EXPRESS TAKES AWAY SOME OF THE STRESS OF RESEARCH. INSTEAD OF SPENDING TIME SCOURING THE INTERNET TO FIND RELIABLE INFORMATION, STUDENTS CAN TURN TO WEBPATH EXPRESS FOR RELIABLE SOURCES."

—TIFFANY WHITEHEAD,
TEACHER-LIBRARIAN

Monthly themes display ▶ sample websites or varied topics to spark interest, generate conversation or encourage further research.

◀ Weekly spotlight highlights newsworthy subjects or planned topics such as Back to School.

Be the Resource

WebPath Express transforms your library into the go-to resource for students and teachers:

- Access 70,000+ trustworthy and relevant K-12 websites that are integrated alongside your library resources.
- Search website content and deliver age-appropriate results separated by grade level for your students.
- Natural search language and “Did You Mean” functionality helps students find the websites they are looking for.
- Enjoy easy-to-use search, browse and narrowing capabilities, including Visual Search icons for younger users and English Language Learners.
- Supply 24/7 access to reliable, educator-reviewed resources—from home or school.
- Identify and report on heavily accessed topic areas for making informed curriculum development decisions.
- Consistent monitoring and updates assure content is current and remains appropriate.

Several Options Help Students Narrow Searches

- Topic
- Source type (including dictionary/thesaurus, encyclopedia, magazine, news, primary source)
- Format (media types such as biography, eBook, educational game, interactive, music, video, animation, audio, image collection)
- Grade level (PreK-2, 3-5, 6-8 and 9-12)
- Language (Arabic, Chinese, English, French, German or Spanish)
- Domain

With just a few clicks, students can easily add sites to their resource list.

Support Student Success with Follett Software's Integrated Educational Technologies

WebPath Express provides a low-cost, low-maintenance, curriculum-enhancing resource through seamless integration with Follett solutions, giving students and staff easy access via browser-based technology.
